- Surface Mount Concealed Fix

Dimensions

- 356mmW x 52mmH x 100mmD

Finish

- **ML256S:** Satin Stainless Steel
- **ML256B:** Polished Stainless Steel

Installation Guidelines

- *May be subject to Australian Building Code Regulations for height and location fixing and may be subject to placement as per architectural drawings. In all cases, this is the responsibility of the installer.*
- *Fixings and anchors are not included with the units and are the responsibility of the installer to appropriately fix the unit to the wall.*

1. To remove wall mount bracket from the back of the toilet roll holder, loosen the set screw using an Allen key (not provided).
2. Locate fixing position on wall or partition and mark using mounting holes, ensuring the toilet roll holder is level.
3. Fix the wall mount bracket to the wall or partition using appropriate screws and wall plugs. Ensure that the bracket is facing the correct way (the bracket should be curving away from the wall and the prongs facing upwards).
4. Slide the toilet roll holder onto the wall mount bracket, ensure the prongs are fitted into the allotted spaces on the back of the toilet roll holder.
5. Check the unit is level and ensure the set screw is fully tightened to finish installation.

Features

- **Capacity:** Holds two standard toilet rolls.

This product is AS1428.1 compliant (accessible compliant) when installed in accordance with the guidelines.
