- ML602AR:** 123mmW x 209mmH x 129mmD
- ML602BS:** 123mmW x 209mmH x 99mmD

Finish

- Satin Stainless Steel

Installation Guidelines

- May be subject to Australian Building Code Regulations for height and location fixing and may be subject to placement as per architectural drawings. In all cases, this is the responsibility of the installer.*
- Using the key provided, unlock the unit. Locate the security screw inside and loosen it, until the screw is no longer seen from the back of the unit.
 - Using the separate mounting bracket provided, determine the appropriate installation height and location using the mounting holes on the bracket.
 - Drill holes at the marked locations and insert plastic anchors.
 - Fix the mounting plate into place with screws.
 - Tighten all screws and ensure unit is level.
 - Attach the soap dispenser onto the mounting bracket by pushing it down to lock into place.
 - Re-tighten the screw from Step 1 to ensure that the unit is secure to the bracket.
- Note:** If the security screw is not tightened soap can leak from the back of the unit.

*ML602AR

*ML602BS

Operation

- The recommended liquid soap (not included) must be either coconut or vegetable oil based to ensure correct function and operational longevity of the unit.

Features

- Pump action soap dispenser valve
