

ML663W Soap Dispenser

Material Specifications

- ABS Body & Push Pump

Mounting

- Surface Mount Concealed Fix

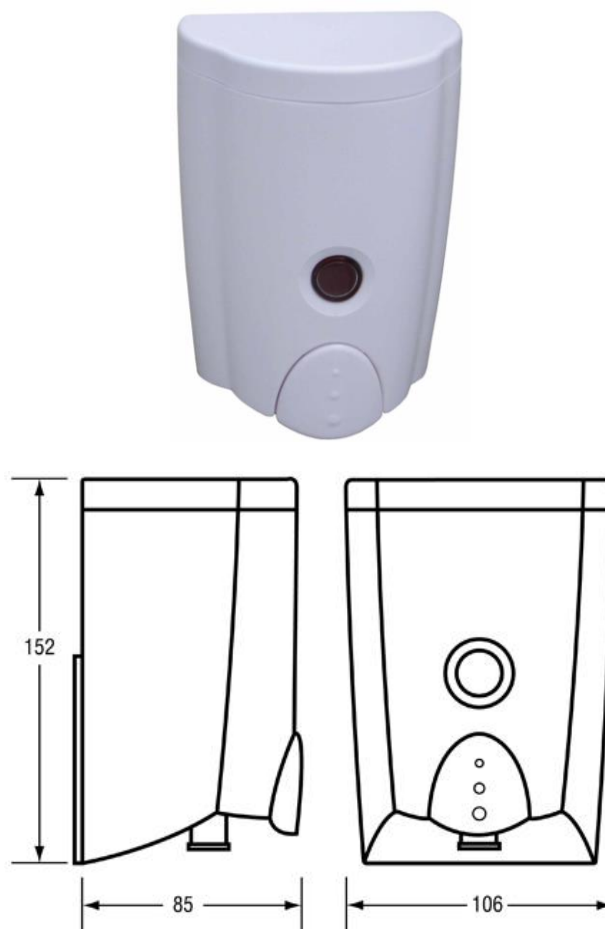

Dimensions

- 106mmW x 152mmH x 85mmD

Installation Guidelines

- *May be subject to Australian Building Code Regulations for height and location fixing and may be subject to placement as per architectural drawings. In all cases, this is the responsibility of the installer.*

1. Unit is provided with separate mounting bracket.
2. Remove the wall mount bracket and determine the appropriate installation height and location using the mounting holes on the bracket.
3. Drill holes at the marked locations and insert plastic anchors.
4. Fix the mounting plate into place with screws.
5. Tighten all screws and ensure unit is level. Attach the soap dispenser onto the mounting bracket, by pushing it down to lock into place.

Features

- Pump action soap dispenser valve
- Liquid level indicator window
- 580mL Capacity

This product is AS1428.1 compliant (accessible compliant) when installed in accordance with the guidelines.
