Metlam Australia Pty Ltd reserves the right to, and from time to time, make changes and improvements in design and dimensions.

Method of usage

1 Unfold the unit as shown on the right.

2 Take a liner from paper holder and lay it on the table.

3 Lay child in the center of the changing table and clip together the ends of the restraint belt.

4 After use, throw the liner into the trash and close the table.

Cleaning and maintenance

Maintaining a clean and functional Baby Change Station is just a matter of a few simple steps. You do not need any expensive cleaning agents or special equipment— an ordinary household cleaner and damp cloth is usually all that is required.

KEEPING THE UNIT CLEAN

Metlam Baby Change Stations look and operate best if they are cleaned regularly. For day to day cleaning, use a damp cloth or soft brush and some mild detergent. After washing, rinse again and wipe the surface dry with a soft absorbent cloth.

NEVER USE

- Chemical cleaners or cleaning agents that may be hazardous to children
- Stainless steel wool scouring pads

CHECK THE UNIT REGULARLY

Check all hardware components monthly or as required to ensure hardware is tight and there is no missing or damaged components. Immediately take unit 'Out of Service' if any component is missing or damaged.

Terms of guarantee

The product warranty is one year from the date of purchase.
