- **ML_SCT2000MM_MICRO:** Micro Shower Curtain Track Straight - 2000mm

Components Supplied

- Track, Hooks & Wall Mount Bracket

Mounting

- Concealed Screw Fix

Installation Guidelines

- *May be subject to Australian Building Code Regulations for height and location fixing and may be subject to placement as per architectural drawings. In all cases, this is the responsibility of the installer.*
1. Before beginning installation, ensure that the curtain track is the right size, if required cut it down to size.
 2. Locate correct placement on the wall and install the wall mount brackets.
 3. Insert the curtain hooks into the track and then install the curtain track into the wall mount brackets, ensuring that the track is level.
 4. Hang the shower curtain (not supplied) to finish installation.

Operation

- Can be cut back on site to suit requirements
- Curtains sold separately

Hook

Wall Mount Bracket

This product is AS1428.1 compliant (accessible compliant) when installed in accordance with the guidelines.
